Re: Tybouts Corner

Dear Roy:

As you know, my office and another law firm represent a number of the residents of the Tybouts Corner Landfill in a private lawsuit against the owners, operators, and polluters of the Tybouts Corner Landfill. We would very much like to meet with you in the near future to discuss the progress of the current E.P.A. study. The next time you travel to Delaware, please give my office a call so that we can arrange for a convenient time to meet. If you do not anticipate traveling to Delaware within the next week or so, please contact my office and let me know when you would be available for me to travel to Philadelphia to meet with you.

Looking forward to your reply.

Very truly yours,

JOSEPH W. WEIK
